Re: Enforcement of Town Ordinances

January 18, 2023

The Waterford Police Department routinely responds to calls for service involving the violation of town ordinances. The most common responses are related to parking violations under Title 10, however our officers also respond to noise complaints under Title 9, alcohol on town property complaints under Title 12 and commercial vehicles in residential neighborhoods complaints under Title 10.

The majority of our responses involve mitigation between parties, to which compliance with the ordinances are obtained, and no enforcement is issued. With the exception of parking violations, very few enforcement penalties are issued.

Our Records Department conducted a search of town ordinance enforcement for the past five years, based on your request for information. In that period, we did not find any enforcement penalties issued by our department for violations of town ordinances other than parking violations.

Should you require any additional information, please feel free to contact me at any time.

Thank You,

Marc Balestracci
Chief of Police
Waterford Police Department
