AGREEMENT

BOARD OF EDUCATION OF WATERFORD, CONNECTICUT

The Board of Education of the Town of Waterford, Connecticut (hereinafter referred to as The "Board"), acting through the Superintendent, hereby agrees to employ Joseph P. Mancini (hereinafter referred to as the Director of Finance and Operations) under the terms and conditions hereinafter set forth.

1. DUTIES

The Director of Finance and Operations shall serve as the Director of Finance and Operations for the Board. In harmony with the policies of the Board, State Laws, and State Board of Education regulations, the Director of Finance and Operations has the responsibility for assisting the Superintendent with the development of an itemized annual budget in accordance with Conn. Gen. Stat. § 10-222, as well as the administration and monitoring of the annual budget. Generally, the Director of Finance and Operations shall be responsible for the financial record keeping of the district, including compliance with the requirements for State and Federal Accounting Reports, adherence to Board budget and purchasing policies; and other duties relative to the financial operations of the district and as directed by the Superintendent on behalf of the Board, consistent with any applicable job description.

2. TERM

A. This Agreement shall become effective July 1, 2023 and shall remain in effect through and including June 30, 2026. Anything in this paragraph to the contrary notwithstanding, the provisions of the section of this Agreement entitled "Termination of Agreement" shall take precedence and the Director of Finance and Operations' employment may be terminated at any time during the term of this Agreement under the provisions of such section. Effective upon signing, this Agreement shall supersede any and all prior contracts and/or other agreements between the Board and the Director of Finance and Operations, and all of such prior contracts and/or agreements shall be rendered null and void effective on such date.

B. The term of this Agreement is through June 30, 2026. The Director of Finance and Operations and the Board agree that they shall adhere to the procedures set forth in this paragraph to consider an extension of the Director of Finance and Operations' employment under this contract for any additional period of time. Prior to the end of the 2023-2024 fiscal year, the Director of Finance and Operations may request, and the Superintendent shall consider, whether to recommend an extension of this contract of employment to the Board of Education.

3. COMPENSATION

A. The base annual salary rate for the Director of Finance and Operations shall be One Hundred Fifty-Six Thousand, and Ninety-Eight Dollars and No Cents (\$156,098) for the 2023-2024 contract year, which sum shall be pro-rated for a partial year of service and subject to required deductions for applicable United States Withholding Tax, applicable State of Connecticut Withholding Tax and other applicable deductions mandated by state or federal law and employee

contributions toward the cost of fringe benefits. The Board shall set, prior to June 30 of each succeeding year, the annual salary for the Director of Finance and Operations.

B. The Director of Finance and Operations may arrange to have an elective deferral deducted from his annual salary on a pre-tax basis pursuant to a legally binding salary reduction agreement, to have contributed as an annual deferral to the Board's Section 457 Plan that meets the requirements of an eligible plan as defined in the applicable regulations issued by the Internal Revenue Service, provided said amount shall not exceed the applicable IRS dollar limits set forth in Section 457(e) and 414(v) of the Internal Revenue Code for said contract year.

C. The Director of Finance and Operations shall receive an additional amount of Four-Thousand, Nine-Hundred, and Two Dollars (\$4,902) to be paid in substantially equal installments during the fiscal year as to which he will arrange to have an elective deferral deducted from his salary on a pre-tax basis as permitted under Section 403(b)(12)(A)(ii) of the Internal Revenue Code, as amended, including the applicable catch up limit of Section 414(v) of the Internal Revenue Code, and then contributed toward the purchase of a 403(b) annuity with a tax sheltered annuity company that he chooses from the Board's list of approved 403(b) vendors pursuant to the Board's 403(b) plan available to Board employees generally in accordance with 403(b) of the Internal Revenue Code, as amended.

4. FRINGE BENEFITS AND WORKING CONDITIONS

A. Medical and Health Benefits.

On behalf of himself and any eligible dependents, the Director of Finance and Operations may elect to participate in any of the HDHP plans offered by the Board to certified professional employees, as well as any vision or dental insurance plans provided for certified professional employees of the Board. For the HDHP, vision and/or dental plans, the Board shall pay eighty-one percent (80%) of the premium costs for the coverage, and the Director of Finance and Operations shall pay any remaining costs of such coverage. The Board shall contribute fifty percent (50%) of the applicable HDHP deductible amount into an HSA account on behalf of the Director of Finance and Operations. For fiscal year ending June 30, 2024 the amount contributed on behalf of the Director of Finance and Operations shall be \$1,125 for single coverage or \$2,250 for two person/family coverage. Any portion of premiums for such insurance for which the Director of Finance and Operations is responsible shall be paid by the Director of Finance and Operations through payroll deduction.

The Director of Finance and Operations may forego or withdraw from full coverage rather than pay his share of the cost of benefits. If he foregoes or withdraws from full coverage rather than pay his share of the cost of benefits, he must satisfy any existing re-entry conditions or limitations of the plan prior to obtaining coverage.

Subject to law, including the rules and regulations of the Internal Revenue Service and independent of the requirements that he contribute to the cost of medical benefits and pay deductibles, the Board shall implement and maintain a "Section 125" Salary Reduction Agreement which shall be

designed to permit exclusion from taxable income of the Director of Finance and Operations' share of the health and medical contributions and deductibles to be paid.

The Director of Finance and Operations may make pre-tax contributions, in the amount of: (1) at least \$100 and no greater than \$2,500 (or such lower amount as required by law) per plan year, for qualified unreimbursed health expenses; and (2) at least \$500 and no greater than \$5,000 per plan year, for qualified dependent care expenses.
