Happy Gardening!

The Senior Citizens Commission established an Endowment Fund in 2007 through the Community Foundation of Eastern Connecticut to provide critical program funding for seniors who are struggling financially or at risk of falling into economic insecurity as they age. Funded entirely by donations, the Endowment has provided qualified seniors with the help they need to feel safe and comfortable in their homes, as well as remain active and connected to our community.

### **The Endowment Fund assists with:**

- Home improvement projects and repairs deemed necessary for health and safety reasons
- Home heating oil or propane
- Paying for medications
- Personal care items or devices
- Home chore services in extenuating circumstances when there is a threat to health, safety or the threat of an eviction
- Transportation services to necessary medical appointments that are outside the location range provided by Waterford Senior Services or ECTC
- Open Doors Memory-care program

Every donation serves to support aging safely, remaining engaged, and, whenever possible, independent. Please help us to continue to provide Waterford's most vulnerable seniors with the services they need. A monetary gift in the amount of your choosing will enhance the lives of Waterford's seniors. Make checks payable to: Community Foundation of Eastern CT.

#### How to Give:

- \* our town website under Waterford Senior Services Endowment Fund
- \* mail or in person in our offices at the Waterford Community Center, 24 Rope Ferry Road, Waterford
