Coming to Waterford's Senior Housing!

An outreach program bringing our fun to seniors who aren't able to come to the Community Center. We will post flyers to let you know when we will be at your complex and how to register for our activities.

Instructor: Mindy Stone

The Senior Citizens Commission established an Endowment Fund in 2007 through the Community Foundation of Eastern Connecticut to provide critical program funding for seniors who are struggling financially or at risk of falling into economic insecurity as they age. Funded entirely by donations, the Endowment has provided qualified seniors with the help they need to feel safe and comfortable in their homes, as well as remain active and connected to our community.

How to Give:

- * Visit our town website under Waterford Senior Services and click on the Endowment Fund
- * mail or in person in our offices at the Waterford Community Center, 24 Rope Ferry Road, Waterford

~ Thank you for supporting our long-standing mission to improve the quality of life for those who need us most.

Waterford Senior Services Transportation:

Waterford Senior Services provides curb to curb transportation to Waterford Senior residents and residents with disabilities to medical appointments, shopping, errands, hair/barber appointments, town programs and to the Waterford Community Center. Traveling to Waterford, Quaker Hill, New London and East Lyme.

In order to access transportation, Waterford Seniors must complete a transportation form with our office. This form may be mailed or emailed and returned before transportation services may commence.

Scheduling is based on availability so it is important for riders to reserved their time far in advance of any appointments.

Seniors should be ready up to 1 hour BEFORE their appointment for pick up and they are instructed on how the service works at the time of their scheduling.
