Senior Services Mission

Provide information about available resources to senior residents of Waterford CT, their family members and/or caregivers, as well as provide a community gathering place that offers programs and services that maximize independence, dignity and quality of life.

Grand Opening of the Patricia Ryan Theater and Media Center

July
11

Waterford Senior Services is delighted to invite you to a special reception for the unveiling of the Patricia Ryan Theater and Media Room at the Community Center on July 11, 2025 at 11:30AM. This new facility is named in honor of Patricia Ryan, a founding member of the Waterford Senior Citizen Commission, whose dedication and vision helped shape the community.

The Patricia Ryan Theater and Media Room will serve as a dynamic hub for entertainment, education, and information, providing valuable resources for the community. This exciting addition to the center was made possible through the American Rescue Plan Act grant awarded to Waterford Senior Services.

We are excited to share more details about the project as it nears completion and look forward to welcoming you to this significant milestone!

WATERFORD SENIOR SERVICES TRANSPORTATION:

Waterford Senior Services provides curb to curb transportation to Waterford Senior residents and residents with disabilities to medical appointments, shopping, errands, hair/barber appointments, town programs and to the Waterford Community Center. Traveling to Waterford, Quaker Hill, New London and East Lyme.

In order to access transportation, Waterford Seniors must complete a transportation form with our office. This form may be mailed or emailed and returned before transportation services may commence.

Scheduling is based on availability so it is important for riders to reserved their time far in advance of any appointments.

Seniors should be ready up to 1 hour BEFORE their appointment for pick up and they are instructed on how the service works at the time of their scheduling.

Schedule by calling our Office Support Technician Michael at 860-444-5839.

The Senior Citizens Commission established an Endowment Fund in 2007 through the Community Foundation of Eastern Connecticut to provide critical program funding for seniors who are struggling financially or at risk of falling into economic insecurity as they age. Funded entirely by donations, the Endowment has provided qualified seniors with the help they need to feel safe and comfortable in their homes, as well as remain active and connected to our community.

How to Give:

- * Visit our town website under Waterford Senior Services and click on the Endowment Fund
- * mail or in person in our offices at the Waterford Community Center, 24 Rope Ferry Road, Waterford

~ Thank you for supporting our long-standing mission to improve the quality of life for those who need us most.

Health, Sports and Wellness Programs

Hearing Clinic:

A screening for seniors who may be experiencing hearing difficulties or those who want to ensure their hearing health is in good condition. Schedule a quick simple test with an audiologist to assess hearing levels and identify any potential hearing loss. A partnership with Audiology Concierge.
